Under Louisiana law (LSA-R.S. 13:5061, et seq. and LSA-R.S. 13:5071, et seq.), information about cigarettes and loose-leaf tobacco suitable for making cigarettes (“roll-your-own”) is required. A current list of cigarette and roll-your-own tobacco manufacturers, approved for sale in Louisiana, is maintained on the Louisiana Attorney General’s website – [www.agiefflandry.com](http://www.agiefflandry.com) – and may be viewed by clicking on the “Tobacco Unit” link followed by “Approved Manufacturers and Brands.” This form should be completed by manufacturers and importers selling any cigarettes and roll-your-own tobacco in or into Louisiana within twenty (20) days following the end of the month of sales. A manufacturer’s or importer’s report shall include cigarettes and roll-your-own tobacco sold in or into Louisiana through its sales entity affiliate(s). A sales entity affiliate is an entity that sells cigarettes that it acquires directly from a manufacturer or importer and is affiliated with that manufacturer or importer as established by documentation received directly from that manufacturer or importer to the satisfaction of the attorney general. Entities are affiliated with each other if one, directly or indirectly through one or more intermediaries, controls or is controlled by or is under common control with the other. Sales by manufacturers, importers and sales entity affiliates shall be designated in Column F of this form as “M”, “I”, and “S”, respectively.
