GENERAL INFORMATION

What is the definition of a tobacco product manufacturer?

- Any entity that manufactures cigarettes anywhere that such manufacturer intends to be sold in the United States, including cigarettes that are intended to be sold in the United States through an importer;
- The first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or

Who is required to file this Certificate of Compliance?

- Any tobacco product manufacturer which:
 - (1) sells cigarettes to consumers within the State of Louisiana (whether directly or through any distributor, retailer, or similar intermediary); and
 - (2) has not become a participating manufacturer to the tobacco Master Settlement Agreement.

You must file this Certificate of Compliance to report the units of cigarettes you sold and pay the amount calculated into your qualified escrow fund.

What is a non-participating manufacturer?

What is a qualified escrow fund?

You are required to establish a qualified escrow fund. This means an escrow arrangement with a federally or state-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least one billion dollars, where such arrangement (1) requires that the financial institution hold the escrowed funds' principal for the benefit of the State of Louisiana and other "releasing parties" as defined in the Master Settlement Agreement, or 25 years, whichever occurs first, and (2) prohibits you from using, accessing, or directing the use of the funds' principal except as consistent with Louisiana Revised Statutes 13:5061, et seq. and 13:5071, et seq.

When is this Certificate of Compliance due?

Example: 1st quarter deposit is due by May 15th; 2nd quarter deposit is due by August 15th; 3rd quarter deposit is due by November 15th; and 4th quarter deposit is due by February 15th following the sales year.
